Hurricane Helene

As all of us have heard, the western portion of North Carolina was devastated by hurricane Helene. CAHC has quite a few members located in this area, some have suffered losses, and the area will take years to recover. Some of you have expressed interest in helping or contributing to this recovery. To that end, the board has selected two organizations to receive our charitable funds.

Samaritan's Purse samaritanspurse.org and Asheville Buncombe Community Christian Ministry abccm.org were onsite immediately after the storms hit and will continue to work during the long recovery period. So don't delay, let's help those in need. Both organizations have a place to donate specifically to Helene Relief Funds.

If you would like to donate in the name of the Carolinas Austin Healey Club, you may do so with either, or both organizations. Simply have them email a card to newsletter@carolinasahc.com.

EDITOR'S NOTES/

This will be the final newsletter for 2024 so please don't delete it if you will need it for the dates of our events in December and January.

I would like to thank all those who contributed articles and pictures this year. Your contributions made our newsletter better than ever. There were so many great events and even better memories.

Kitty and I wish each one of you a very merry Christmas and a happy and prosperous New Year.

Please don't miss the Christmas party and our planning meeting in January.

PRESIDENT'S MESSAGE & MUSINGS

Hi Members, we are wrapping up one of the best driving fall periods in my memory. Temperatures have remained higher than normal and we have had very little rain; all great environments for driving our cars. Hopefully, you have enjoyed this period as I have.

The Triad Austin Healey Club organized a great Southeastern Classic at Shelton's Winery in Dobson, NC. Our club was represented by nine driving couples and by several others attending without their cars. We also garnered several car awards reminding us of the quality we have within our club.

Speaking of quality, Stuart Sheppard will host our next Tech Session later this month and his presentation will assist all of us in obtaining information designed to enhance our ability and knowledge to maintain our cars. The tech session will begin promptly at 10:30 on Saturday 11/23 followed by lunch and then ending with our quarterly business meeting. During our business meeting, we will announce nominations for next year's CAHC board of directors and vote on these individuals at our Christmas event. We are still looking for a 2nd VP candidate, so if you wish to be considered, (and we hope you do!) please reach out to me...bobbove50@gmail.com or 704-904 7391. We also need someone for Secretary and Webmaster Coordinator appointments. This will be our last group gathering before our annual Christmas event in December. Please make every effort to attend, socialize and engage...this is your club, and your

involvement makes it great!

We need several volunteers to assist in making our Christmas party successful. Please reach out to me ASAP so I can add you to the list of individuals that will help in set up and take down. This year we plan on having lasagna as our entrée so when the RSVP is sent, be sure to respond as we will need to know numbers for ordering.

The "Car of the Year" standings have really tightened, and the race is on for the finish line. Check out the most recent standings, which includes events attended and articles written for the last two newsletters. I may have missed providing credit for several individuals over the year, and if so, I apologize. Also, some members attended events but did not drive their LBC, therefore, did not receive points. If the board votes to continue this award next year, they may want to consider a reduced point level that awards members that attend but don't drive their LBC.

Happy motoring,
Bob Bove

PS: The fastest English car was the ThrustSCC holding the record for the world land speed at 763 mph on 10/15/97. The British Lotus Evija offered 2000 horsepower and 1704 nm of torque, however the most in the world was Gordon Murray's T. 50 supercar with a 3.9-litre naturally aspirated V12 engine from Cosworth and revs up to 12,100rpm! Wow!!!

2024 Car of the Year Award Standings

2024 Car of the Year Award Standings

To recognize club members who participate with their LBC, our club will keep track of points earned for various activities, events, meetings, tech sessions, editorial contributions, etc. You must drive your LBC to earn points. The top three members will receive special recognition at our annual Christmas party...prizes TBD. Our event schedule will highlight in red, sanctioned events that will earn points. These events will have a sign-in sheet that will be forwarded to the recorder of points.

Events need not be listed in our event schedule to earn points. Simply provide a picture of your LBC at the event, entrance fee receipt and provide a write up to our newsletter editor for inclusion in our monthly newsletter. The participant is also responsible for providing proof to the recorder of points (me), 704-904 7391 – bobbove50@gmail.com within 30 days of the event. These events may include car and coffee meetings, non-British events, etc.

CAHC Meetings and Tech Sessions – 4 pts

CAREFREE CRUISING

There may be no road better suited for top-down exploration than the Blue Ridge Parkway. As a result, visitors often glimpse a host of unusual "wildlife" on the two-lane blacktop: Jaguars, Mustangs, Spydors, Sting Rays, "Hogs," and the very rare Bugeye Sprite.

Larry and Barbara Griswold (right) live a short distance from the parkway, near Asheville. "We can't go anywhere without driving under a parkway bridge," Barbara says. "It's something that's part of our everyday life."

They especially enjoy taking out their 1967 Austin-Healey 3000 MK III for scenic jaunts. "It's a wonderful driving road," Larry says of the parkway, which was designed for just the sort of casual spins that the couple takes on a regular basis. "It's very scenic, and you get to just drive and drive."

David Wood is another vintage sports car enthusiast, who — being from Derbyshire, England — comes

by his love for British motorcars naturally. After immigrating to the U.S. in the '90s, Wood eventually landed in Hendersonville in 2017. Today, he's the president of the British Car Club of WNC, one of the dozens of car and motorcycle enthusiast groups that consider the Blue Ridge Parkway a kind of motoring Valhalla.

Wood most appreciates the quiet and the vistas all along the road. "It's just very calm and relaxing," he says. In many ways, this area of North Carolina reminds him of his birthplace in the English Midlands: "Countryside for miles and miles."

Sometimes, the club draws dozens of members on parkway drives, creating a colorful parade of classic vehicles in British Racing Green, Tartan Red, and Old English White. "We're all looking out for each other," Wood says. "It's a shared experience."

Wood sees a parallel, too, between the care that these members have for

their rare machines and for the road that beckons them on warm, sunny days. "It's really about preserving these things for as long as we can," he says.

As for his favorite spot on the parkway? Wood is lost for words. After much deliberation, he finally says, "I can't single anything out. It wouldn't be fair. The parkway itself is the destination." — B.C.

 If you would like to donate to help restore the Parkway to it's former glory,
 here is the information on how to donate.

Dear John,

From the start, the very idea of the Blue Ridge Parkway was monumental. Just imagine the incredibly ambitious undertaking it was to construct a 469-mile scenic route over and even through mountains.

**BLUE RIDGE
 PARKWAY
 FOUNDATION**

Today, we face the most tremendous challenge since the first crew broke ground on the Parkway in 1935; we must come to the aid of our beloved park where Hurricane Helene brought catastrophic damage.

Thousands of mangled trees are strewn across the pavement. The Linville Falls Visitor Center was swept away. Nearly three dozen rock and mudslides severely damaged or swept away the roadbed in many places. National Park Service teams will surely uncover even more damage as they assess hundreds of miles of trails and dozens of structures.

Rebuilding presents a monumental task AND an enormous opportunity.

Your gift will ensure the repairs, rebuilding, and renewal needed to move forward. You have the power to heal the storm scars in our national park and invest in a historic legacy.

Your generosity will reach far beyond the park's boundaries into the hundreds of communities that rely on visitors to sustain their livelihoods. Helene closed the Parkway just as the busy autumn leaf season began. More than 250 miles of the scenic route remain closed.

The Parkway is an economic driver crucial to helping these communities recover. Last year, spending by nearly 17 million visitors supported more than 19,000 jobs in the area. It's heartbreaking to envision the impacts on the small mountain towns if the Parkway does not recover quickly.

We are asking you to be a hero for the park you love; to invest in a legacy that will enrich countless lives, secure the future of our park and its neighbors, and provide hope to those who call the mountains home.

EVENTS IN THE WINDSCREEN

10:30 November 23,2024

Tech Session/Club Meeting

8022 New Town Road, Waxhaw, NC

Stuart Shepherd will host our final tech session and club meeting of the year at his garage in Waxhaw. Lunch will again be served on the lift. All of Stuart's tech sessions are great, but this one might prove to be one of the most interesting.

The topics are:

1. A case study of trouble shooting techniques
2. Things we neglect and the consequences
3. Refurbishing cockpit trim on side curtain cars

Stuart asks that you let him know that you are coming NLT November 20th so he can order the entrée.

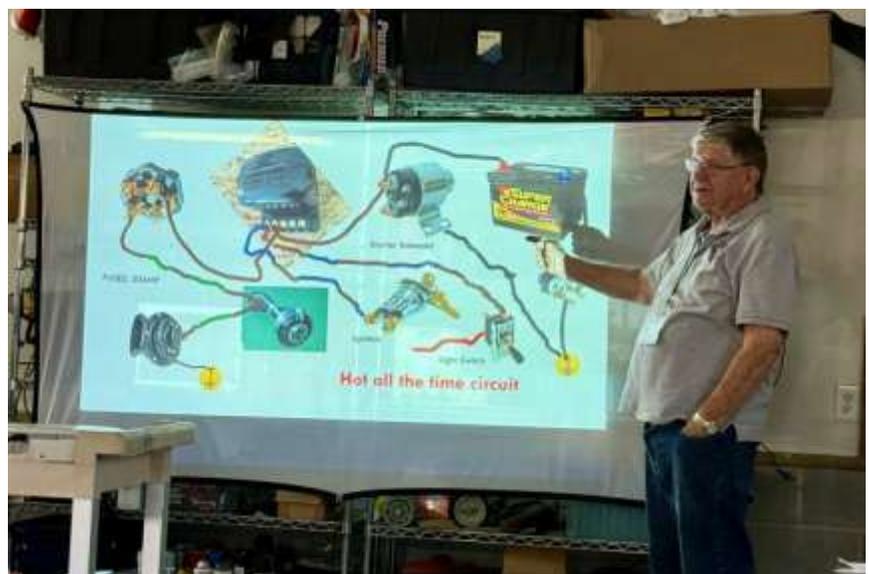

stuams@gmail.com

Everyone is asked to bring a side to share that would go with subs. (BYOB)

Also please bring a chair.

We will have the latest selection of CAHC hats for sale. \$16 each

CAHC CHRISTMAS PARTY - December 14, 2024 11:00 till 3:00
Camp Cherokee, 1299 Camp Cherokee Road, Blacksburg, SC

Volunteers needed to assist with planning, decorating and cleaning up after the CAHC Christmas Party on Dec. 14th, at Camp Cherokee. We will all pitch in to help, of course, but we need some organizers to take the lead to make this a really fun event. The more, the “merrier”, and less work for all. Ed and Kitty have been doing this for the last few years, but it is a long drive for them, and it is time for others to take over to share the effort.

Please contact Bob if you are so inclined to volunteer. Thanks for your help!

704-904-7391

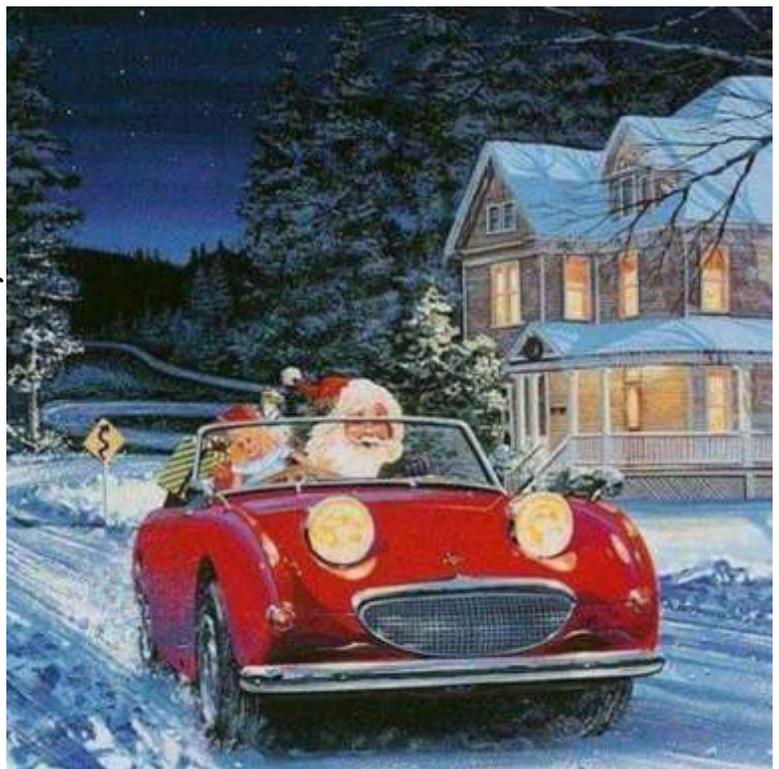

The club will supply the beer, tea, lemonade and meat. Please bring wine if you prefer that to drink. Please bring an appetizer, salad or dessert for sharing. Food sharing is one of the most fun parts of the party.

Our charity again this year will be the YMCA A+ camper program. This allows those less fortunate to attend YMCA camps. Please bring a check made out to the club for a donation to this truly worthy cause and Bill will send a club check to the YMCA.

We will have our usual installation of officers and Family of the Year award.

Also on display will be samples of our new regalia items that will be ready for orders for 2025

There is plenty of room to spread out so let's plan to finish out 2024 with a huge crowd of Healey family members.

CAHC PLANNING MEETING
Camp Cherokee

JANUARY 11, 2025

10:00 AM

Come join us with your ideas for new and exciting events for 2025. Andy will be looking for your input as he plans for 2025 as our new president. We are always looking for hosts and destinations. Coffee and snacks will greet you along with a great warm fire if it is cold. We will go to a local restaurant for lunch following the meeting.

SECOND ANNUAL WATEREE HOUNDS POLO MATCH
Camden, SC November 3, 2024

Jason Williams and Ed Farnell represented the Carolinas Austin Healey club at the Wateree Hounds Polo Match in Camden. Since Jason's Lucy and my Kitty are avid members of the Wateree Hounds fox hunting club we got private parking in front of the stables

EVENTS IN THE REAR VIEW MIRROR

Southeastern Classic XXXVII

Dobson, NC By. Bill Walton

Mountains – Merlot – Mayberry: The 37th Annual Southeastern Classic was held in Dobson, NC (Shelton Vineyards) and was hosted by the Triad Austin-Healey Club. The weekend started on Thursday evening with a Halloween Costume Party at the welcoming event where 35 or so participants dressed up in some creative costumes. Friday morning the Triad club organized a fun 45-mile drive around some of the great area roads that included a few scenic roads in Virginia. The rally ended in Mt Airy (Mayberry) where we had a reserved parking lot just for our cars. There was plenty to do and see in Mayberry including Floyd's Barbershop, the Andy Griffith Museum, the Mount Airy Museum of History, the Historic Earl Theatre and multiple shops with food, pastries and ice cream.

Friday evening the Triad club hosted a Pizza party and a live auction to benefit charities supporting Western NC communities and their First Responders. Over \$4,000 was raised from the auction for the cause!

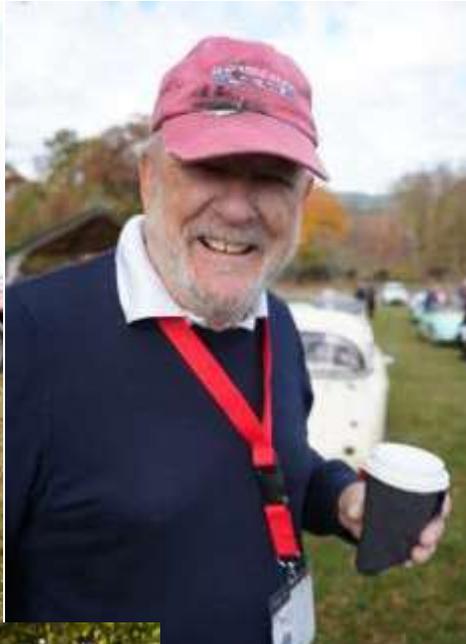

Saturday was the car show with over 60 Healeys and other marques on the show field at Shelton Vineyards. The weather and setting were perfect for a car show which made it great for socializing with attendees from as far away as Canada, Texas and Florida. Many of the Carolinas club members were award winners as you can see from the photos. The "1st Timers" to a Southeastern were recognized during the awards presentation, and new Carolinas club members Jason and Lucy Williams received a bottle of Shelton Vineyards wine for attending. Longtime member Edie Anderson participated in handing out the awards to the 1st Timers.

The weekend concluded Saturday evening with a closing banquet at *The Depot at Cody Creek*, a Dobson landmark. Next year's Southeastern Classic XXXVIII, will be in Franklin, TN on September 18-21, 2025. The event will be hosted by Robbie Cook and his Middle Tennessee Club.
