EDITOR'S NOTES/

I continue to thank Bill Walton for all the things he donates to make the newsletter what it is.

Without Debbie and Bill's pictures and Bill's flyers and other contributions, our newsletter would only be a shell of itself.

Dick Lunney has also contributed several really good pieces and John Jones and Stuart Shepherd have sent in some good tech information. I know I may have left somebody out, but these are some recent contributors. I am always open to anything you think would be of interest to our members. It's really easy. All I need is a Word Document and JPG file photos you wish to include.

CLUB MEETINGS

For dates, times and places please see our club calendar which will be in each newsletter January through November and on our website www.carolinasahc.com

Newsletter

Submissions to the newsletter can be sent at any time to Ed Farnell. Deadline is the 5th of each month.

Classified "For Sale" ads: Advertising British cars for sale are FREE to members. Ads selling Healey parts, or Healey related items are FREE to all. Non-member "Cars for Sale" are \$10.00 per issue. Send information (photos should be jpg format) to eafarnell@gmail.com All Commercial Ads: Advertise your business in the Healey Happenings! Annual display ad rates are as follows:

Half Page 5" X 8" \$150.00 per year
Quarter Page \$100.00 per year
Business Card \$ 50.00 per year

PRESIDENT'S MESSAGE

Hello Healey Club Members,

As I write this message, the summer heat is still here but September promises to be a great Healey Driving month.

We held our CAHC meeting on 12 August 2026 at the Charlotte Motor Speedway Club. We had 17 members in attendance and enjoyed a delicious lunch and watched numerous fantasy drivers maneuvering around the Oval and Roval tracks of the Charlotte Motor Speedway. For those that don't know (and I was one of you) the NACAR Roval track is a unique 2.32 mile, 17-turn hybrid road course located inside the traditional 1.5-mile Oval at Charlotte Motor Speedway in Concord. Introduced in 2018 the course regularly serves as a high-pressure elimination cutoff race in the NASCAR Cup Series Playoffs. The Roval track would be a fantastic track to drive our Austin Healey's around, maybe I will have to inquire with the Charlotte Motor Speedway about setting up a drive around the Roval for our club. If you have not yet visited the Charlotte Motor Speedway Club restaurant, you need to give it a try. Very delicious food with a great view of the racetrack.

We recognized and congratulated Dick Lunney at the August meeting, but I want to mention Dick again and thank him again for the great Article he authored for the August 2026 Healey Marque Magazine. The Article titled, "Carolinas Austin-Healey Club celebrates 50th Anniversary" provides a good snapshot of our clubs 50 years. The photos provided by Debbie and Bill Walton were also excellent. This is where I help Ed and hope to encourage our members to submit news articles to Ed Farnell, our club newsletter professional. I'm sure all our members recognize that our newsletter is the envy of all the other Austin Healey clubs due to Ed efforts. So, let's lend him a hand and submit those articles for the newsletter.

September is the month when the CAHC forms a nominating committee for our club officers in

the years to come. Our Bi-Laws identify the nominating committee as the current President, the most recent Past President and two additional non-officer members. I've asked Jack and Annette Porter to be the two non-officer members. So, the nominating committee is me, Andy McIntyre, Jack and Annette Porter. Currently John Jones is the 1st Vice President and will move to President in 2027. We need two members to volunteer for nomination as 1st Vice President and 2nd Vice President. If you are interested in serving, please call me ASAP at 704-788-0045. Chuck Reeves has agreed to remain as the National Delegate and Jason Williams has agreed to remain as the club's treasurer.

Although not club officers, but very important positions in the club, Bob Bove has agreed to remain as the clubs Secretary, Monique Reeves as the Roadside Care representative, Andy McIntyre as the Webmaster and Membership reps, Ed Farnell as the Newsletter Editor and Regalia and Debbie White as the club Photographer.

We have several great events scheduled in September, Conclave in Galena, IL, 13-18 Sept 2026, Southeastern Classic in Dahlonega, GA 17-20 Sept 2026, the Encounter in St Michaels, MD 27-29 Sept 2026 and Autumn in the Mountains, Mill River, NC 26 Sept 2026 so you have no excuse for not driving your Healey this next month.

Happy Healeying,
Charles

Secretary's Report	Carolina Austin Healey Club Meeting Minutes Wednesday 8/12/2026
---------------------------	--

Club President, Charles Roberts called the meeting to order at 1:00pm shortly after our delicious lunch @ the Charlotte Motor Speedway Club. We improved our meeting attendance a little with 17 members watching fantasy drivers maneuver around the circular and roval tracks. The March 9th minutes were officially approved as no one had communicated any mistakes or omissions to Secretary Bove.

Our Treasurer, Jason Williams (although absent), provided a financial update. Suffice to say we are well positioned to fund our upcoming Southeastern event. Our balance remains where it was a year ago. So, cash flow is great!

Charles welcomed a new member, Dennis Harris. Dennis provided a summary of his Healey involvement and is actively looking for someone to provide a comprehensive restoration on his green 1967 BJ8

Ed Farnell, club newsletter professional, expressed his appeal for members to provide news articles. Please forward to Ed anything you feel would be enjoyable for other members to read. Ed, club regalia coordinator, informed the members of a new, long sleeved, UV resistant shirt he really likes.

Charles congratulated Dick Lunney for his work getting an interesting article into the recent National newsletter about the 50th National event.

Chuck Reeves, not present, is looking for volunteers to join the Southeastern committee in 2027. Please do what you can to assist in this matter. Putting on this event requires help from all our members, simply reach out to Chuck. On the marketing front, we are producing a refrigerator magnet, highlighting our 2027 event, and planning to distribute at this year's Southeastern.

Charles is forming a nominating committee looking for members interested in running our club board. Please consider taking on the 1st or 2nd Vice President positions as these positions will determine the future and success of our club.

Charles reviewed all upcoming club events...still lots of ways to get involved in the club. Come on out and join your fellow club members...with or without your Healey.

Charles adjourned the meeting @ 1:34pm.

Your club Secretary, Bob Bove

CAHC MEMBERSHIP SURVEY

Below is an example of how the answers to our recent survey will be available to our BOD and everyone will be able to view many of the responses in the next edition of this newsletter.

So far we have received more than 48 responses, which is very good as most surveys go. You might also notice that 72% of those responding

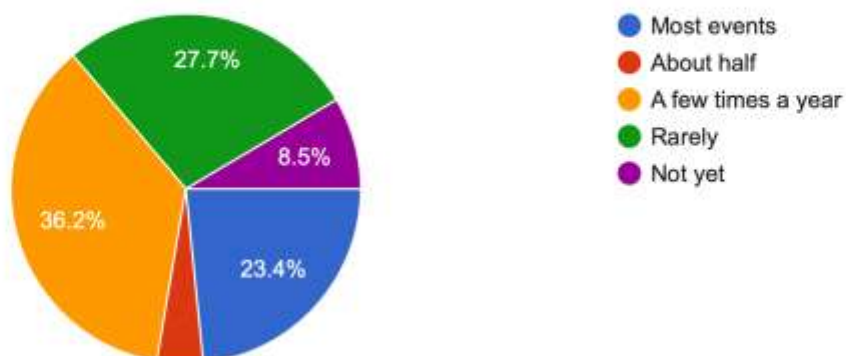

are not regularly participating in our club events. Hopefully the answers to questions in the survey will help us find ways to encourage more participation. The BOD will be meeting at Southeastern and will begin reviewing the survey for using in planning going forward.

If you have not yet completed the survey please use the link <https://forms.gle/AcK2cWwGG9pDeimA9> to express your opinions and suggestions even if it is a little after the September 1st deadline.

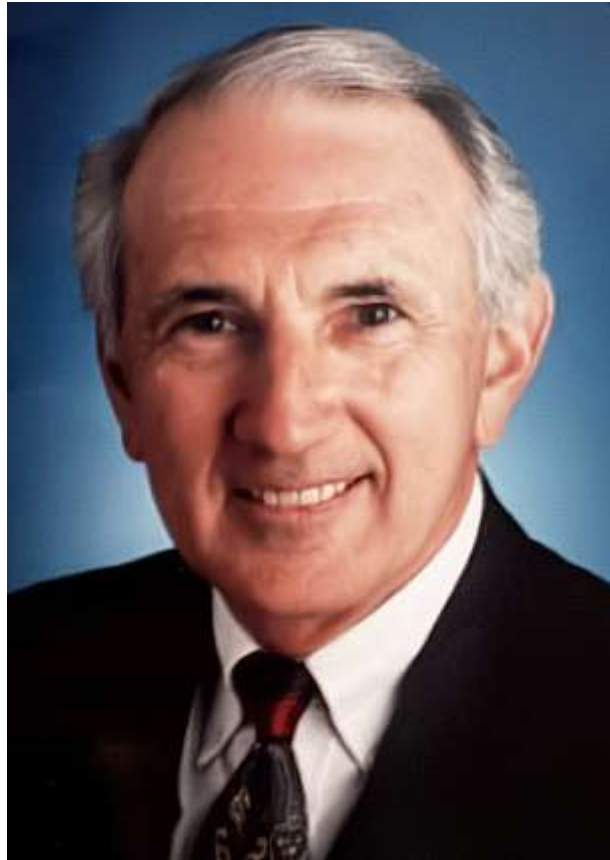

How often do you currently participate in our club activities?

47 responses

IN MEMORIAM
FRED DABNEY II
August 2, 1937-August 12, 2026

On Monday, August 12 Fred Dabney II, the Austin-Healey Club of American's twelfth president, passed away in Charlotte, North Carolina. Fred served as president from 2014 through 2016 and held several positions in the national club prior to his presidency including club vice president of publicity and Insurance, and Director of the Donald M. Healey Memorial Fund and co-chairman of the 1999 One Hundredth Anniversary of Donald Healey's Birth Celebration Committee. Fred also was an active member of the Carolinas Austin-Healey Club serving terms as local club president, vice president and treasurer.

Fred served in the United States Army supervising an artillery unit at Fort Sill, Oklahoma, where he began his love of sports cars by joining the local SCCA chapter and borrowing friends' cars to race and autocross. Upon leaving the Army in 1961, Fred purchased an old English white Bugeye Sprite lovingly nicknamed "Casper" and continued to race and work on the car before marrying his wife, Priscilla, of 64 years, and having children, plus a long career in the insurance business which forced the car to be sold.

However, for his 50th birthday, Priscilla found and bought Fred another Bugeye Sprite, this one was green and when he and Priscilla relocated to Charlotte, he gave the Sprite to his son, Fred III, who took the car apart while living in New Hampshire and lovingly restored the car to its original Old English White color like his dad's original Sprite. They finished the car in Dad's garage in Charlotte just in time to drive it to Conclave in 1996 held in Asheville where Dad was one of the organizers. Fred had bought a red BJ8 and they drove the cars together to the event.

Fred ultimately sold his red BJ8 and replaced it with a beautiful Healey Blue BJ8 that now belongs to another local club member residing in Ashville. Son Fred III moved on to Arizona and married his wife, Jackie, and transitioned on to enjoy Harley Davidson motorcycles, selling the white Bugeye to actress Holland Taylor (Charley and Alan Harper's mother in the TV show *Two and a Half Men*).

Fred is survived by his wife Priscilla, daughter Lisa and her partner, Bob Brouillete; his grandsons, Brian and Andrew Condon and Andrew's wife, Tori; and his son, Fred Dabney III, and his wife Jackie.

Those who knew Fred have lost a cherished friend whose love and concern for others will always be remembered as will be his artistic talent for creating beautiful silver wire sculptures of Healeys and other classic cars and motorcycles. In lieu of flowers, donations may be made to St. Margaret's Episcopal Church, 8515 Rea Road, Waxhaw, North Carolina 28173.

TECHNICAL SERVICE BULLETIN!

Monthly Tech Zoom Call!

Help is on the way!

Mark Leinmiller, the president of the Atlanta Healey Club, has invited all Carolinas Club members, as well as all members of Austin-Healey clubs in the Southeast, to participate in a monthly Technical Support Zoom Meeting. Mark has assembled a great panel of "experts" to field our questions in the hope that we can continue to keep our cars on the road.

Even if your Healey is running great you are sure to come away with more knowledge than you currently have just by listening to the panel discussions.

Not only will the Tech Zoom Meetings be interesting, they should be a lot of fun!

MARK YOUR CALENDAR!

When: Last Tuesday of Every Month

Where: Recurring Zoom Log In:

Member's Memories Looking for a New Home

By Fran Maranuk

Artist: William Carl 'Bill' Stroud, South Carolina, 1950-1996)

This is a Bill Stroud original watercolor painting of a two-tone blue and cream Austin Healey 100-4 Roadster. It is framed in a dark wood toned frame with an off-white mat border. The dimensions are: 38" x 30" This awesome car is parked in front of the historic [Old Sheldon Church Ruins](#) in Beaufort County about 50 miles west of Charleston, South. The church was built and completed in 1757. It was burned by British troops in 1779 and rebuilt in 1826. Unfortunately, in 1865 it was burned again in the Civil war.

So you are asking...why is this important information? Well, of course, now you need the REST OF THE STORY!

Joe and I purchased this car from Cal and Peggy Knorp of the Carolina's club in early 1990's. Shortly after our purchase, Bill Stroud came to us at an event and said we needed to purchase this watercolor since we now owned the car. At that time, the price he was asking was out of reach as we were facing sending 5 children to college within a 1 to 2 year period

to college within a 1 to 2 year period and they would all be attending at the same time. Just bad timing; or was it, hmmmmmm?

A few years passed and as luck would have it, we were caravanning back from a fun filled Healey event with our Carolina AHCA group. Just kicking it down I-77 in Charlotte when I looked over at Joe and said “this damn car is really, really, really hot”. Now we all know that we were about 2” off the ground and it was summer and his response was more like “well, what do you expect. Drink some water”. As you might guess, my response was not kind and as I was about to come unglued. Well, that was about that time flames began coming out of the dash board! We pulled off on Exit 7 as flames got higher. We ran from the car to the caravan that we pulled in behind us. Once safely out of range, I turned around to look at the car and there was Joe with his head and arms in the car, legs in the air, just throwing everything he could find out of the car and onto the roadway. As a worried wife, I began yelling at him to get the hell out of there. But, Joe was worried. His worry?.....we just got back from a Healey event and there was capped and half empty bottles from all our partying that he didn’t want police to find should they stop to help. But, of course, there was no police to be found. Fortunately, a Mack truck driver stopped with his fire extinguisher and quickly got the fire under control.

The car was a mess. It was towed to Von’s shop and meticulously rebuilt. We thought and thought about that painting. Curious as to whether it was an omen, a prediction, a warning. No matter, we just know we needed to have that painting. Something told us that we needed to have the painting with us and the car as future protection. We reached out to Bill and secured the painting.

As the next few years progressed, and the children needed the funds more than the car and us and subsequently, the car was sold. Von brokered the sale and we never met the buyer. Unfortunately, the painting didn’t go with the car.

It is now many years later. The kids have graduated, married and have children. Life has moved on and we retired and still have this painting. It has been kept in a cool environment and hung proudly in our home even though we don’t have the car. We are proud to offer this original for sale. Perhaps this writing will even make it to whomever owns this awesome car now so they can know the REST OF THE STORY as well.and maybe the painting???

Please reach out to share or inquire. Contact Joe at 803-416-2800 or Joe@Axis11Consulting.com.

EVENT IN THE REAR VIEW MIRROR
Club Meeting August 12, 2026
@ the Speedway Club, Charlotte Motor Speedway

On a hot August day, 17 Members, less their Healeys, descended upon the Speedway Club located on the sixth floor of Smith Tower that overlooks the Charlotte Motor Speedway in Concord, North Carolina. The occasion was lunch and a club meeting.

The private club provided us with a good meal served in a great atmosphere including linen tablecloths and napkins and great service. We practically had the entire place to ourselves. In addition, we had a great view of the speedway that provided us with entertainment watching a driving school fly around the main track and the Roval.

If we ever have another meeting there, I promise you will like the venue.

HEALEYS TO THE COAST

The coastal trip is planned for Sunday, 11/1 – 11/4 in historic and beautiful Beaufort, NC. Some of you remember the wonderful trip we had several years ago. I had planned to have this trip in Southport, NC; however, after much deliberation, I decided to go back to Beaufort. Southport does not have any hotels within walking distance of the downtown. During that time of the year, both areas have many tourists making driving and parking much too difficult.

I have arranged for us to stay at the Inlet Inn, on the water front of Beaufort. Those who stayed there in the past recall the wonderful location and accommodations. We have blocked 15 rooms of varying configurations for 3 nights, Sunday November 1-4, 2026 (checking out on Wednesday 11/4). The room rates vary from \$169 - \$199/night, plus taxes and fees totaling 12.75%. Guests staying three nights will enjoy Sunday night at 50% off the published direct book rate. They will extend a 10% discount to any guests staying fewer than three nights. The higher rate rooms are mostly 2nd floor, waterfront, king, with a balcony looking over Taylors Creek. Guests can review their property online (inlet-inn.com) and then book your room by **calling directly at 252-728-3600** and providing the name, "CAHC". Each guest will pay a required one-night deposit, which is fully refundable up to 48 hours before arrival (3pm two days before check-in).

The rate includes free onsite parking, and continental breakfast. The Inlet Inn is located within walking distance of all shops and restaurants. On arrival and departure days, guests are welcome to park in their lot before check-in (3 pm) and after check-out (11 am) to extend the Beaufort experience!

Make your reservation soon, as I mentioned, the tourist season never ends in Beaufort, and the Fall time of the year draws many there.

We will depart from a location TBD on Sunday, 11/1 @ 9:30am) for the North Carolina group. Anyone coming from the Columbia area may want to meet at a desired location on the route. The route currently planned is leaving Charlotte to Hwy 74. Provided earlier storms/hurricanes have not occurred and wiped out back road bridges, we will catch I-95 for a short distance (6 miles) to Lumberton (Exit 22), where we will take a break/lunch, and go to Hwy 41 for a long country road ride to Hwy 24 (Jacksonville, NC). Once on Hwy 24, it will take us directly to Beaufort. The ride is normally about 5-6 hours (not counting rest stops, etc.)

After arriving in Beaufort, we will have pizza and refreshments delivered to the Lookout Lounge in the hotel. On Monday, it will be a relaxing day on your own to enjoy Beaufort or trip in the area to visit some of the sites. Mid-afternoon, we will have an oyster roast and refreshments at the hotel courtyard, before going to dinner. Since there are multiple places to dine, we can either go together to one place, or you can choose your own place of interest. On Tuesday morning, we will leave Beaufort for a trip to Washington, NC (approx. 1.5 hours). The route will take us through backroads along the coastal area. After catching a 30-minute ferry (from Cherry Branch to Minnesot Beach), we will drive through places such as, Oriental, Bayboro, Hobucken, Aurora, etc., before arriving in Washington for lunch and shopping. Leaving Washington, we will drive to New Bern for a short stop and then back to Beaufort. Charles has connections with Cherry Point Marine Air Base, and is trying to get us in to watch some F16's do their thing.

After arriving back in Beaufort, we will all walk to dinner at one of the restaurants. You will order from the menu, no planned meals.

Please drive your Healey's. The hotel staff is very excited about seeing our cars. When we arrive, I would like to parade us down Main St.. Plus, we want to have a photo op location with all the cars.

We will depart on Wednesday for home.

NOTES: 1. Events in red are official club events with a CAHC host. All others are events that have no CAHC host and no organized group drives, but nice events and are recommended for your enjoyment.

2. See our CAHC website for information about each event. Many times there is even more information including a Google map with directions to the event. Many thanks to the members who volunteer to host events.
